

Multitouch Project Proposal

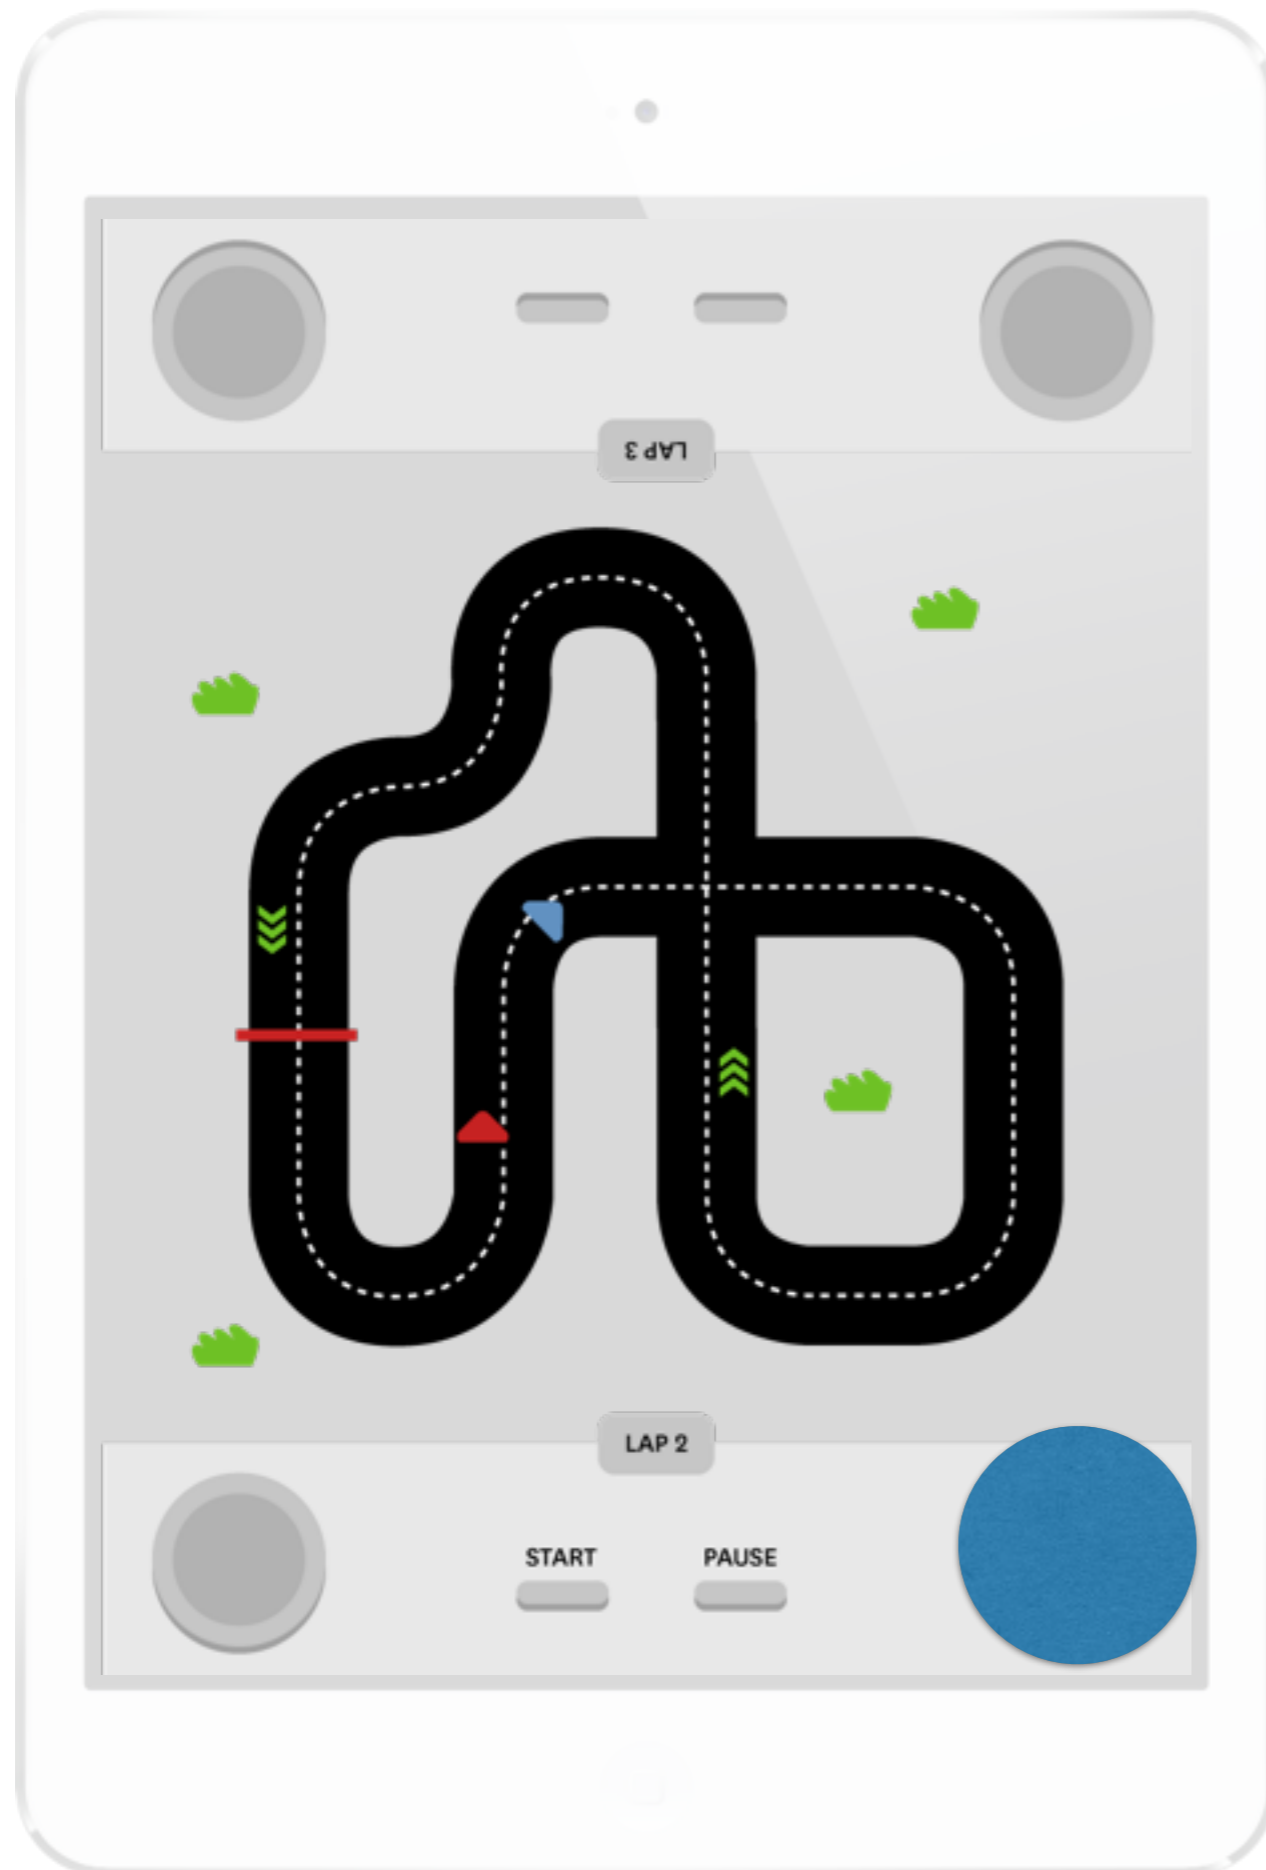

Ralf Baumann

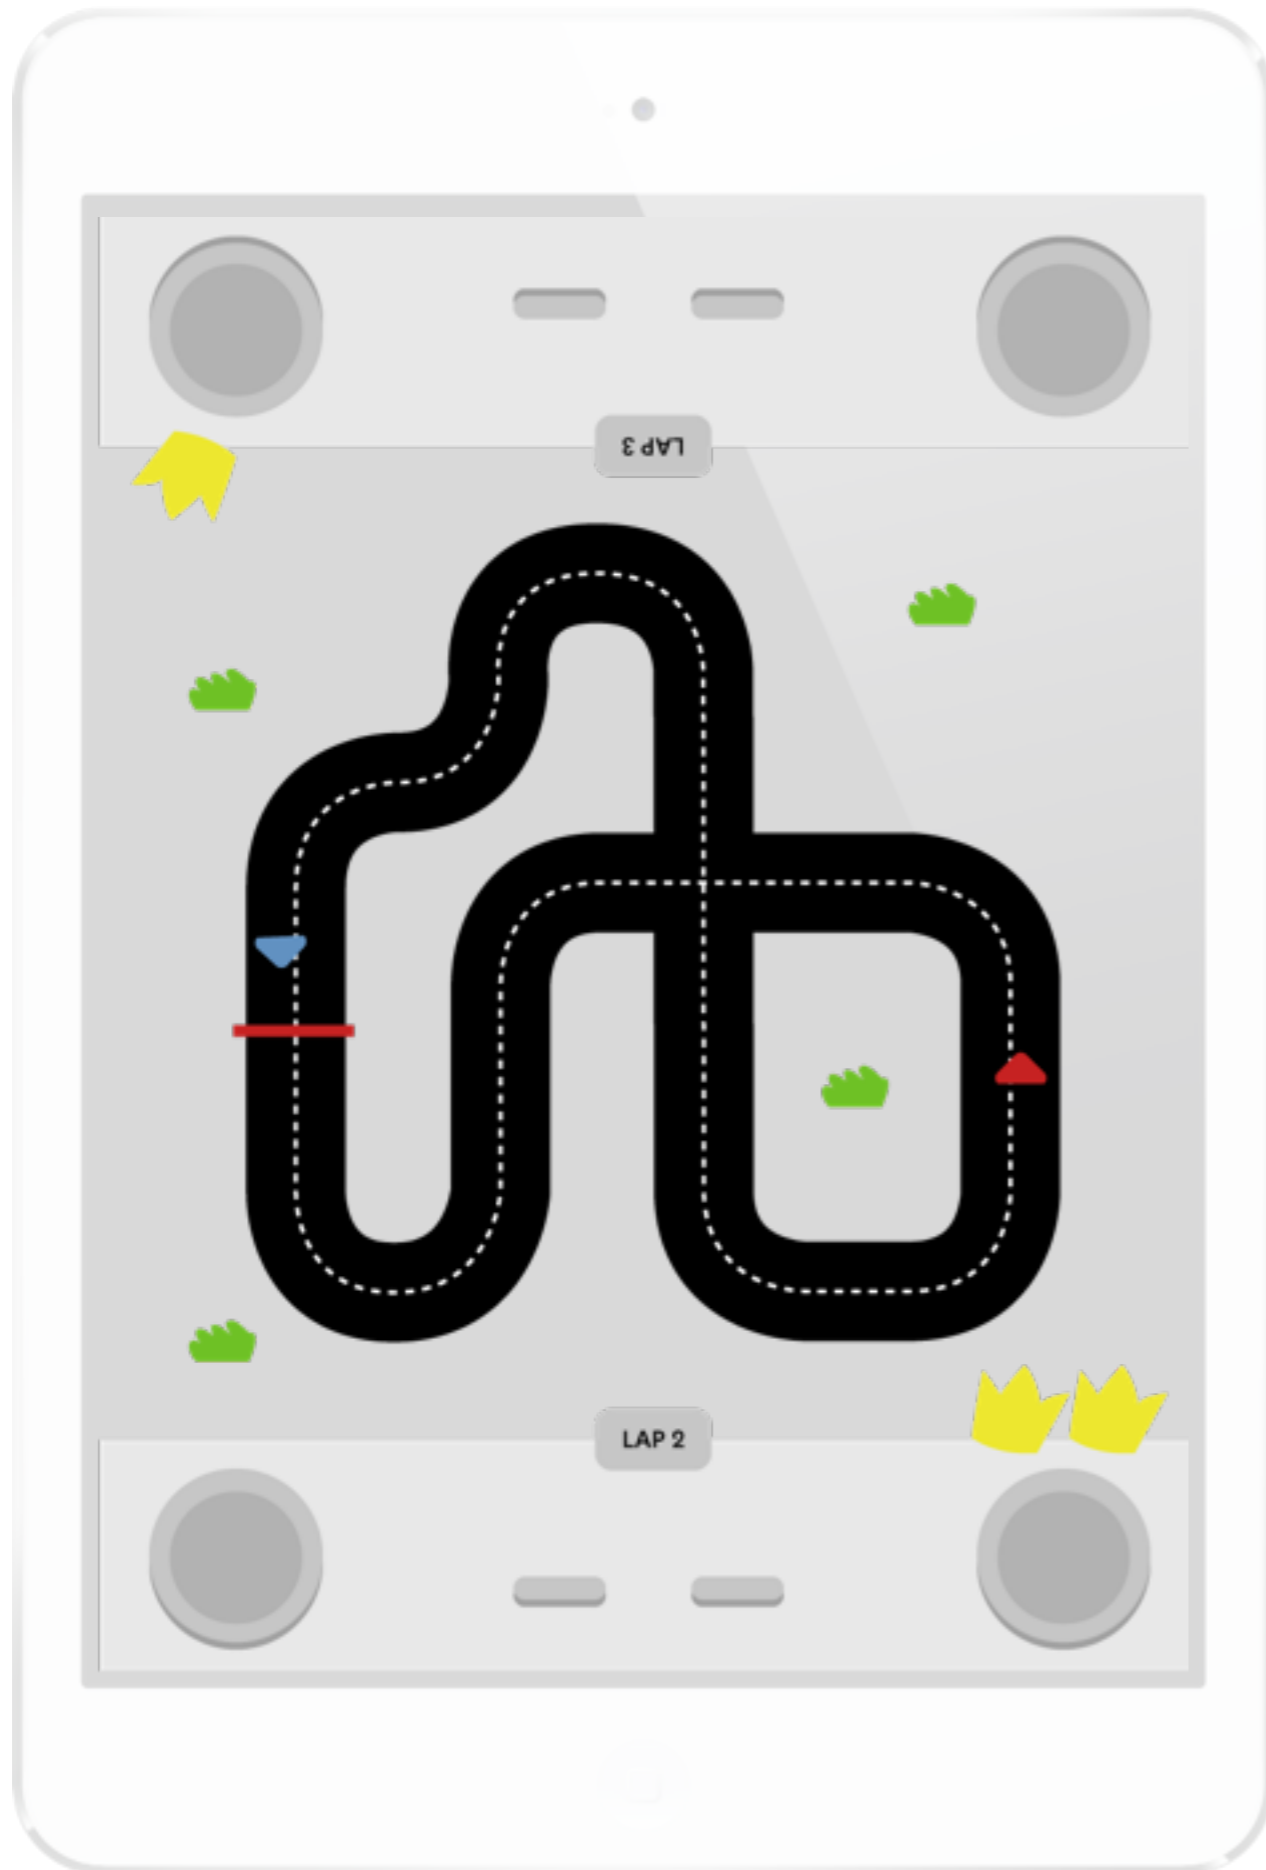

- A 2-player racing game for the iPad.
- Players use 1 iPad and use controls on the opposite sides of the device.

- The players proceed to pick a map they want to race on.
- This is done by swiping the middle of the screen.

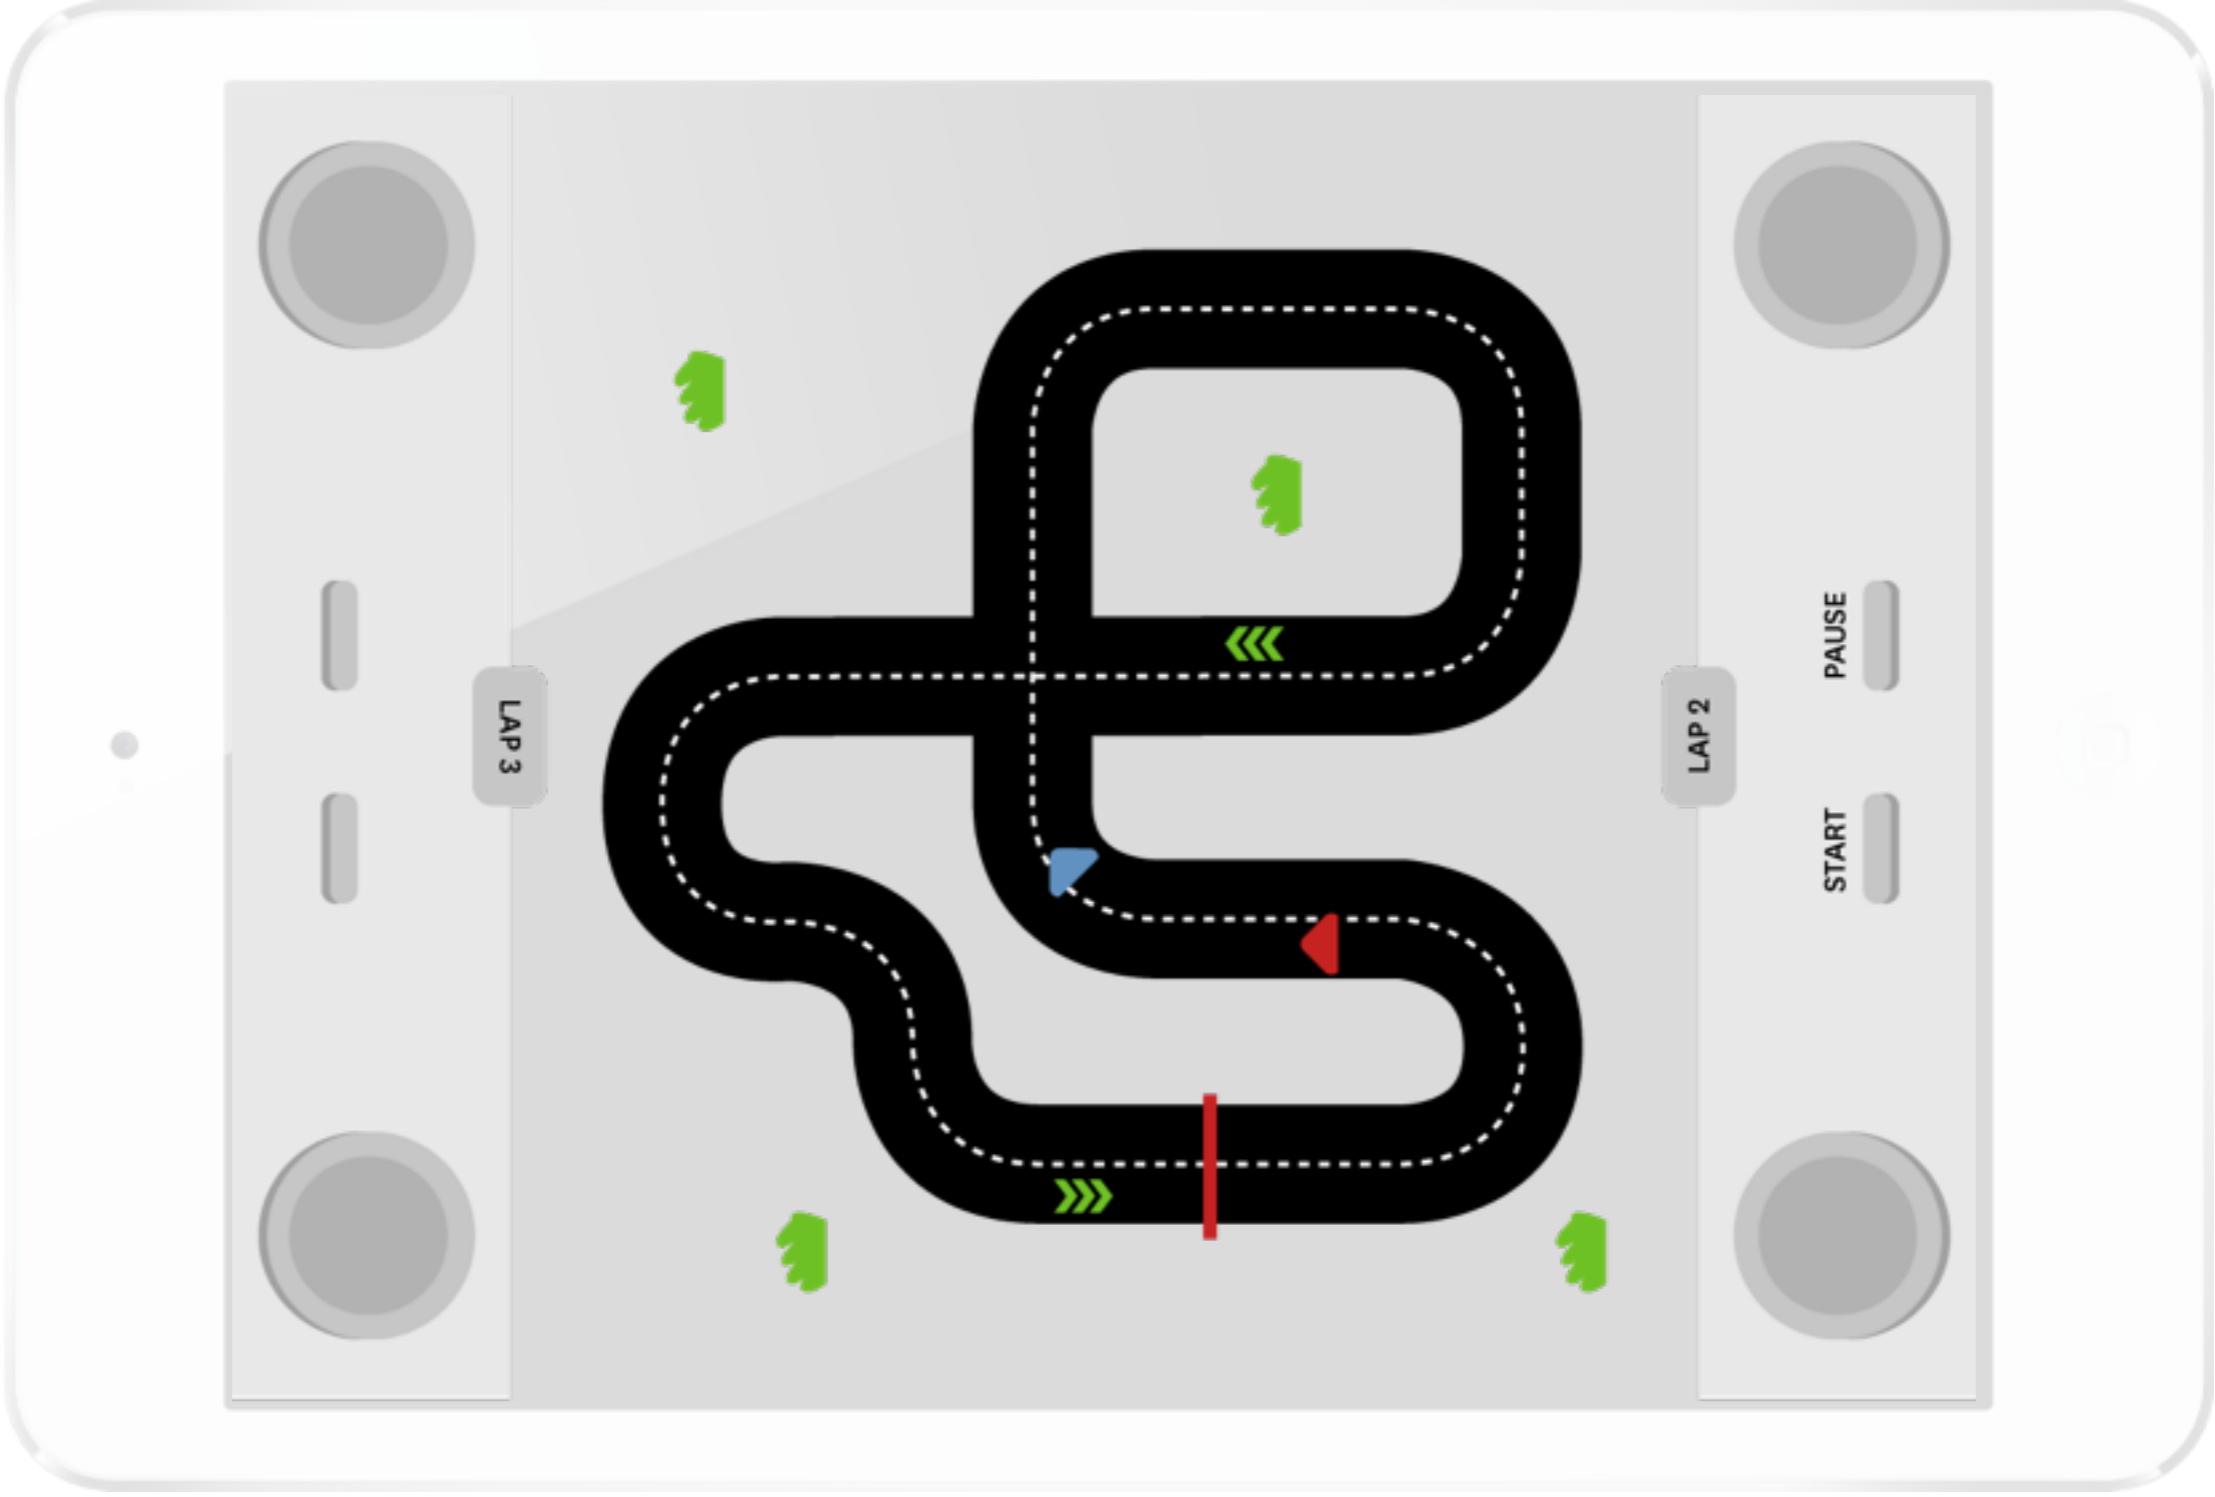

- The aim is to finish a certain amount of laps.
- Player car moves with a constant velocity
- Players control car turning by pressing LEFT or RIGHT buttons.

- The winner of a race receives a crown.
- The first one to get 3 crowns wins the game!

- The Winner is crowned.
- The loser gets to choose if he or she wants to challenge the winner to a rematch.
