 RFID Card Reader Serial

| MLX90614 Module | Function | BASIC Stamp |
|-----------------|---|-------------|
| GND | Ground link between microcontroller / MLX90614 Module | Gnd |
| 5V | Voltage link between microcontroller / MLX90614 Module | 5V (VDD) |
| SIG | Serial I/O link between microcontroller / MLX90614 Module | Any I/O pin |
| ALR | Alarm control output, high on alarm | optional |
| RST | Reset link to coprocessor, pull low to high for reset | optional |
